Re: Maritime Catering Development Program

Please be advised that we are spearheading the Maritime Catering Development Program.
This program (along with our Cadet Officer Program) is designed to develop possible maritime cook in for our fleet.

The objective is to strengthen and sustain the Chief Cooks for our vessels.

The entry position to this program is as Messman.

As such, kindly turnover the endorsed and walk-in applicants to our technical section for the proper evaluation
and possible acceptance to the above-mentioned program.

Please be guided.

Thank you.

Brgds,
Archie Orbeta
