Subject: 0506-ARC-1-Admin Memo no.12-Vessel Deficiency Presentation

Dear Mr. Alex,
Re: Admin Memo no.12 - Vessel Deficiency Presentation
Good afternoon.
Kindly consider to show the vessel deficiency (of their own vessel)
to sign off crew for their reference.
It would also be considerable to show major deficiencies for other vessels if needed.
==========
I understand that vessel deficiencies are presented to all joining crew prior embarkation.

Kindly acknowledge.

Thank you.

Brgds,
Archie Orbeta
